Introduction

Twins Apparels, based in Bhilwara, Rajasthan, is a prominent name in garment manufacturing, specializing in high-quality ready-to-wear apparel. With a strong foundation in craftsmanship and a forward-looking approach to technology, the company is committed to delivering reliable, stylish, and well-crafted clothing solutions to clients across various markets.

About Us

Twins Apparels is a trusted name in ready-to-wear manufacturing, known for delivering high-quality garments with a strong focus on **professionalism, reliability, and craftsmanship**. We combine advanced technology with the skills of experienced artisans to create clothing that meets the highest standards. We don't just produce garments — we provide tailored solutions designed to meet the unique needs of each client. Our long-standing relationships are built on quality, consistency, and a shared commitment to excellence.

From the Founders' Desk

At Twins Apparels, we started with a simple vision – to deliver high-quality trousers that combine comfort, style, and reliability. With years of experience in the textile city of Bhilwara, we understand what makes a perfect trouser.

Every piece we make reflects our commitment to quality, timely delivery, and customer satisfaction. Whether you're a new brand or a big label, we're here to support your journey with products you can proudly call your own.

Our Team

Ramesh Sir & his team

In Charge of Cutting, Line Department & Packaging

Ramesh Ji plays a key role in our manufacturing unit. He carefully manages the cutting of fabrics, production line flow, and final packaging of trousers.

His 35 experience and sharp eye for detail help us deliver well-finished trousers on time, every time. Thanks to his efforts, each piece that leaves our unit meets our promise of quality.

Business Tenets

- Work closely with clients to deliver stylish designs and new product ideas at the best value.
- Focus on fast delivery and stay flexible to keep up with changing industry needs.
- Always aim to meet and exceed customer expectations by maintaining high quality and consistency in every product.
- Plan ahead to increase production capacity at the right cost, so we can grow and use our resources efficiently in a changing global market.
